

Business Plan Development

✓ TRL 5 or more

✓ Better in the second half of the project life

The service includes a virtual or face-to-face collaborative workshop, and entails support for developing a complete business plan, including issues such as:

The consortium's operational and financial objectives, the plans for their achievement

Coaching partners in pitching their exploitable results

Describing in a clear and effective way business, products/services, market, competition, operations and management, and financial estimates

Facilitating access to risk capital providers and other innovation financing actors

Benefits:

Validated Lean Canvas

Updated Business Plan

Tested Pitches

After confirmation by the EC Project officer, apply sending information on preferred event timing and place to:

EC-CSC-Exploitation-support@ec.europa.eu

All FP7 and H2020 projects are eligible to apply

1

A project can benefit only once

Projects can ask for the service only if they have not already benefitted by a similar one under another support scheme
