

Brokerage and Pitching Event

- ✓ For a group of projects (5-10 projects)
- ✓ TRL 4 or more
- ✓ Better at the end of the project

The service helps project partners to streamline the key message, better present their project results, foster synergies and generate new ideas

Training on "how to pitch"

Individual coaching to finetune the presentation of selected exploitable results

Open discussion with experts, peers and investors on the exploitation model

Benefits

Customised recommendations on how to improve the pitch

Opportunity to meet with other projects, experts and investors

A short and effective presentation of your results, tested and validated by an international panel of experts

After confirmation by the EC Project officer, apply sending information on the group of projects , preferred event timing and place to:

EC-CSC-Exploitation-support@ec.europa.eu

All FP7 and H2020 projects are eligible to apply

1

A project can benefit only once

Projects can ask for the service only if they have not already benefitted by a similar one under another support scheme
