

## **Exploitation Strategy Seminar**

TRL 5 or more

After month 12

The ESS will provide a platform to discuss exploitation, characterise results and design a roadmap toward exploitation. Expert will provide:

Identification of exploitable results and partners' expectations

Definition or clarification of the exploitation strategy of different project results

Follow-up actions and "how to connect" with relevant actors

## Benefits:

Exploitation routes and risks for each exploitable result

A set of recommendations to better address exploitation during project life and after

http://exploitation.meta-group.com

After confirmation by the EC Project officer, apply sending information on preferred event timing and place to:

EC-CSC-Exploitation-support@ec.europa.eu

All FP7 and H2020 projects are eligible to apply

A project can benefit only once

Projects can ask for the service only if they have not already benefitted by a similar one under another support scheme
